EDUCATION

boost your SCHOOL SPIRIT

Students, athletes, teachers, administrators and parents are your champions. Highlight your quintessential community with branding and signage that generates excitement.

About Us

For over 45 years, business, education and nonprofit leaders have trusted Bannerville. Our family-run business offers custom signage, innovative graphic design, quality production and efficient installation services across the United States. A leader in delivering exceptional customer service, we are proud of the role we play to help our customers make an impact.

Bannerville seeks to create and produce high quality, impactful signage for all of our clients. We strive to continually grow our business with the same hard work, honesty and integrity we have used for many years; always keeping our customer's best interest in the forefront of clients.

Wall Graphics

Full Murals

We can give any indoor or outdoor wall a fresh look with a custom full wall graphic mural. Cover the entire wall with a full vinyl wall mural. Every wall graphic is laminated for extra protection.

Surface Types

- Dry Wall
- Brick
- Concrete
- Stucco

Wall Graphics

Die-Cut

Decorate your space with die-cut vinyl decals. Create unique displays with brand logos, words, and more. We can cut simple and complex options. These die-cut decals can be placed anywhere and created in any shape or size.

Window Graphics

Opaque

Full color opaque window graphics allow your artwork, branding, and message to be displayed in a vibrant and eye-catching way. These graphics are great for dressing up windows that do not need to be seen out of. Wrap or cover an entire window, or create custom die-cut shapes.

Window Graphics

Perf

Window perf material allows us to cover your windows with high quality graphics, while giving you privacy and the ability to still look out your windows. Window perf is applied to the outside of your window and viewed from the outside. Inside mount is available. Interior window perf is not true "one-way" vision.

Features

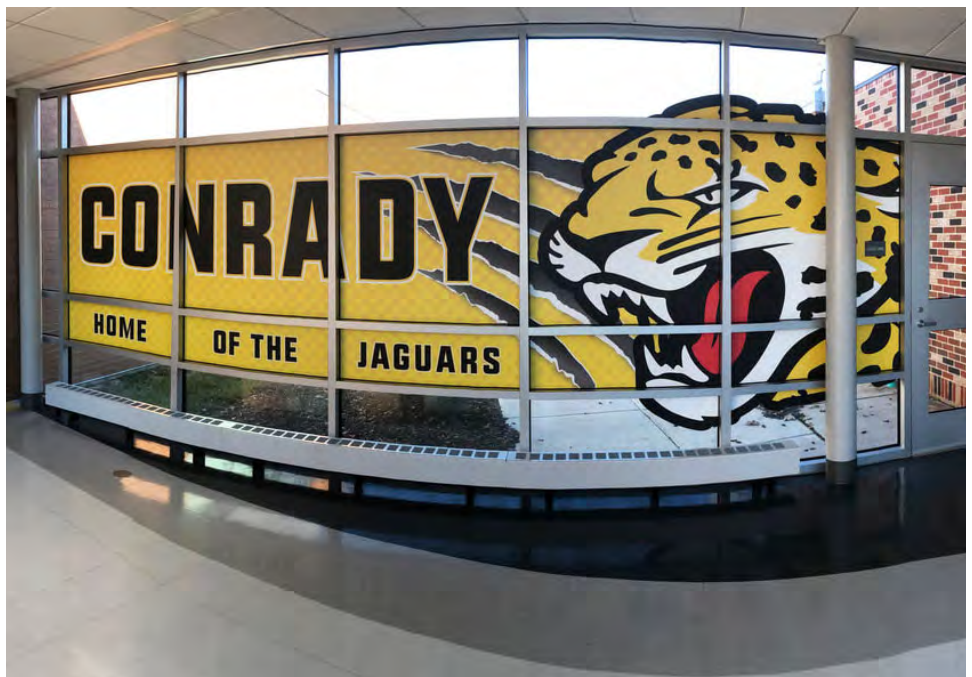

- Indoor & Outdoor Mount
- Outdoor View: Can't See In
- Indoor View: Can See Out

Window Graphics

Translucent

These films maintain consistent color under both transmitted and reflected lighting conditions. Light is able to pass through to showcase a vibrant image during the day and an illuminated image at night! Translucent graphics are not transparent graphics.

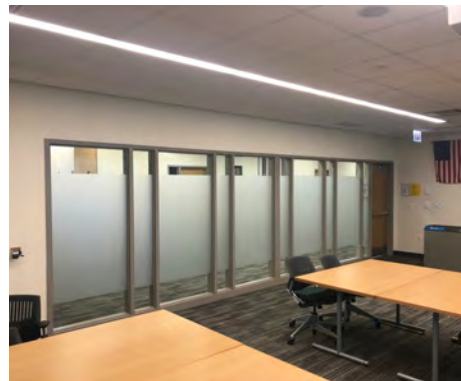

Window Graphics

Etch

Give a frosted appearance to any glass window with etched vinyl. This vinyl can be cut to any size or shape, and it can even be printed in color. We can print your logo directly to the etch vinyl.

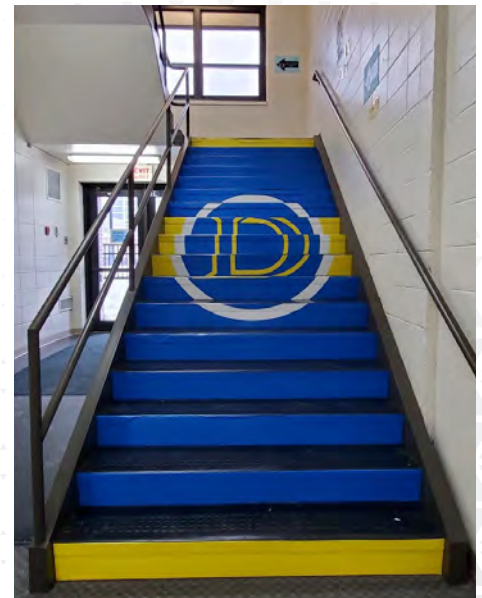

Features

- Add a Professional Touch
- Great Alternative to Etched Glass
- Establish Privacy
- Light Filtering
- Cut Down on Glare

Stair Graphics

Improve the face of your stairwell with custom graphics. Display logos, motivational quotes, colleges and universities, and more! Wow your faculty, students, and visitors as they climb the stairs!

FIELD HOUSE

Door Wraps

Doors are an underutilized marketing surface that people walk through every day. Take advantage of that blank space by covering it with your school branding, colors, logo, or message!

Features

Indoor and Outdoor
Die-Cut or Full Wrap

Stage Murals

Turn that large eyesore in your gym or cafeteria into an enjoyable space filled with school spirit. All stage doors are still accessible and able to open and close.

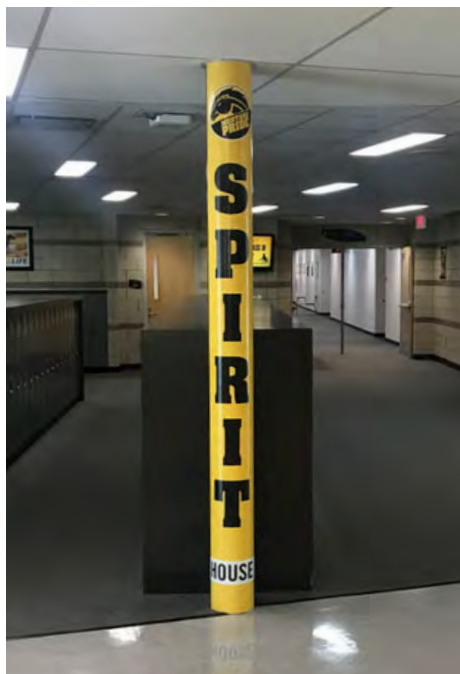

Locker Graphics

Transform your plain hallway or locker room with eye-catching graphics that instill team pride! Showcase your brand, core values, or school photos on locker doors or locker end caps. Motivate and inspire students, athletes, and even faculty throughout your hallways.

Pillar Wraps

Pillar and column wraps are a fantastic way to brand lobbies, hallways, cafeterias, and any other area within your school. The configuration of the pillar or column, square or rounded, smooth or textured, it does not matter. Our 3M certified installation team will be able to handle every situation.

Floor & Sidewalk Graphics

This is the digital age, and everyone is always looking down at their phones. Grab their attention with sidewalk and floor graphics. Floor graphics are great for school logos, events, advertising, and more. Our floor graphics are laminated for protection against foot traffic and can be applied to almost any type of surface.

Windscreens

Our most durable and popular windscreen. Custom windscreens are digitally printed onto a 9 oz. mesh material with added webbing for extra strength. Our windscreens are custom designed giving each of your facilities a unique, brand-revealing look. These are a great way to add color and excitement! Also available in 10 vibrant, UV resistant solid stock colors with no printed graphics.

#2 Grommets Every 18"

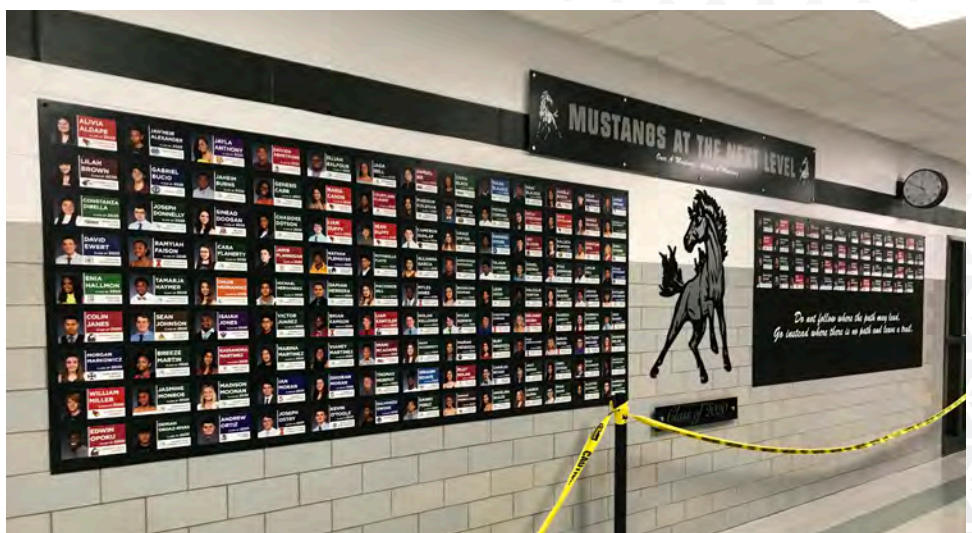

Bleacher Sections & Enclosures

These banners are a great way to cover up the sides of bleachers, or distract visitors from seeing underneath or at storage areas. You can even inform students or visitors where to sit during assemblies or games. Enclosures are a great way to feature your school's brand! All signage is custom based on interior and exterior applications.

Next Level Boards

Do you need a way to recognize your school's athletes that go on to play at the next level of competition? We have the solution. Next level boards provide recognition for the players that move on, while motivating your current players to reach their goals. You can even honor students academically with boards that feature students who are going to college.

Record Boards

Celebrate the history and tradition of your program with record boards. Quality materials and custom designs come together to ensure your team and individual athlete victories stand out. Also available as vinyl banners and graphics.

Sportsmanship Banners

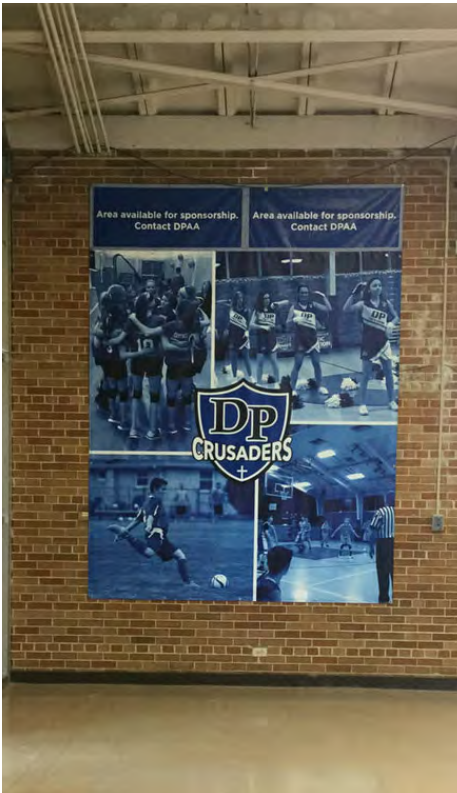

Your fans are important to your program. However, you need an environment that is safe and positive for your athletes, coaches, fans, and officials. Sportsmanship banners are the perfect way to gently remind fans to maintain a positive atmosphere at sporting events. We will take your school's name and mascot and create a sportsmanship banner that reflects your code of behavior.

Event & Advertising Banners

Sponsor banners give local businesses a great advertising opportunity, while allowing your school, team, or booster club to generate income. We can create custom sizes and displays so your business sponsorship or event is displayed in the best way possible! Parade banners are another fun way to advertise your school or message to the masses.

Breakaway & Tunnel Banners

Get your team and fans fired up with a grand entrance using a breakaway or tunnel banner. Built to last, these durable run-through banners are designed to create a great start to your match or pep rally.

Field & Outfield Distance Markers

These signs are most commonly created using metal, however windscreens are also another viable option when marking your baseball and softball fields.

Press Box Signs

Brand your school press box with custom signage. Display the name of your stadium, field, or school with custom signs and graphics! Feature logos and school branding. We will help determine which material option is the best to proceed with depending on your press box.

Scoreboard Signs

Cover up the back of any scoreboard with your own personal billboard! We can install vinyl banners or metal signs that affix directly to the existing frame - some additional framework might be required.

Dimensional Signs, Lettering, & Logos

Three-dimensional signs are another way to display your school branding. We have the capability to cut any shape or logo. The possibilities are endless! We offer a variety of substrates, which can be used either outdoors or indoors.

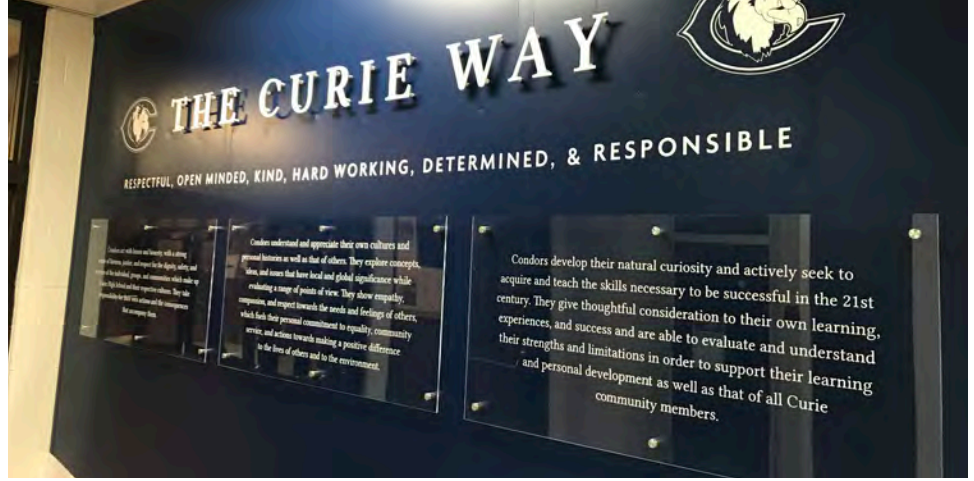

Acrylic Signs with Standoffs

Acrylic signs are made of an extremely versatile plastic sheet with a glossy finish, which is also known as Plexiglas®. Acrylic is the perfect choice when you want signs with a sophisticated, high-tech look. Highly durable and available in a variety of colors, acrylic is often used for indoor displays.

Pair your acrylic sign with vinyl wall graphics or dimensional lettering.

Aluminum & Metal Signs

These rigid signs provide durability for both indoor and outdoor solutions. 12" x 18" sign blanks are most common, but sizes up to 4' x 8' are available.

Features

- Indoor and Outdoor
- Custom Sizes
- Standard Sizes
- Pre-Drilled Holes

Dugouts

Improve your baseball and softball dugouts with custom graphics or signs! All materials are weather proof and can withstand all weather conditions.

Directional & Wayfinding Signs

Do your students, faculty, and visitors sometimes not know where to go? Direct and inform them with custom directional and wayfinding signs! These signs can be made custom to fit your space and needs.

Award Walls

Honor alumni, seniors, academic achievements, hall of fame inductees, retired coaches, military veterans, and donors, with a high quality, custom display.

Each display wall is designed specifically for your school, incorporating your logo, photos, and colors.

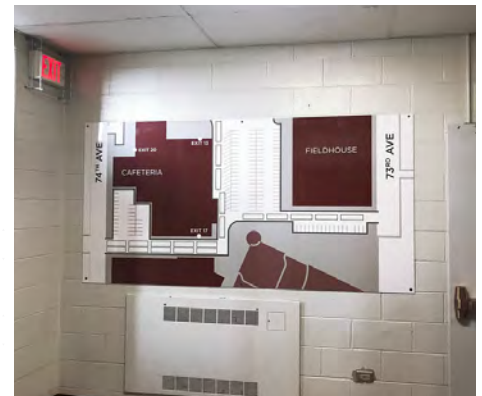

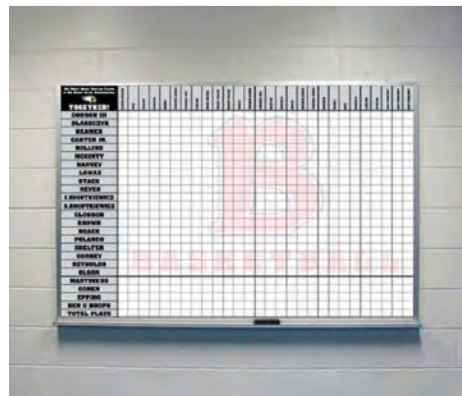

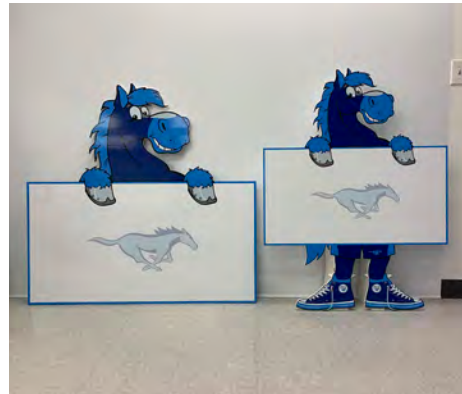

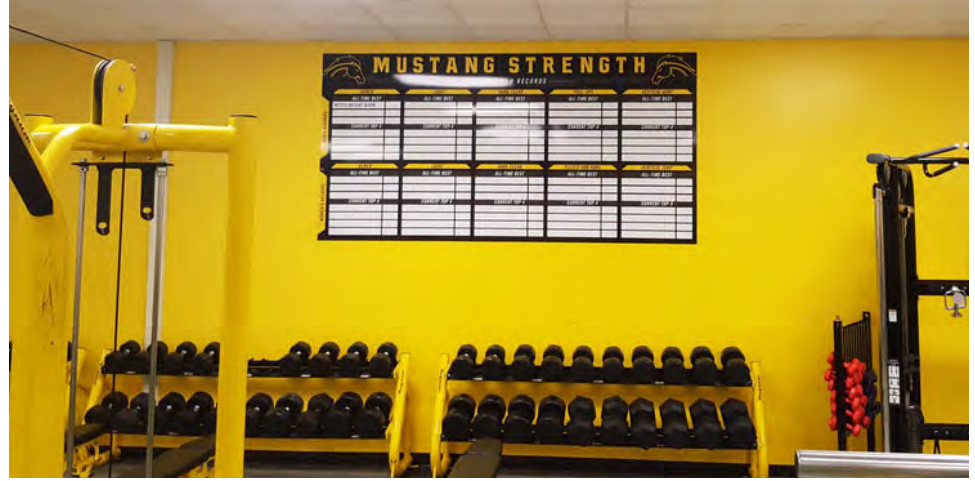

Dry Erase Boards

Dry erase boards can be used for many purposes at your school from academics to athletics. Display blank boards in your classroom or office, or create custom graphics for your locker room! These boards are a great product for athletic directors and coaches to improve communication with their team and quickly explain a new play, outline game objectives, or even organize busy schedules. Use these boards for records or personal and team goals as well!

Brand Guide & Logo Design

Why do I need to brand my school?

Your school logo is the building block of your brand. Once a logo is created, you can apply it to any type of signage. Your logo can be displayed in your hallways, gym, and stadium. Your logo is also used on uniforms and digital platforms.

A brand guide is an official document that provides guidelines for the way your brand should be presented, both visually and in writing.
